

Milford Gardeners' Club Newsletter

Hello Everyone

I hope you have been taking advantage of the sunny weather and visiting some of the lovely NGS gardens that have been open.

I was delighted with last month's meeting. Steve is a great speaker, even if exotics weren't your choice of plant. Lots of you brought plants for sale and nearly all sold, and two lovely members brought plants of current interest. It's great to see you getting more involved in the club again.

Talking of which, I have had a number of people sign up to help at the **Plant Fair stall**, but we currently have only a minimum number of helpers. If you weren't at last month's meeting to sign up or feel you can help, even if only for an hour, please sign up at next week's meeting or let Jenny know. You don't need to worry about pricing, the committee will do that. Can I also remind you that if you have plants for the Fair to label them please.

Because the Fair is only 3 days after our meeting, we won't be having our "plants for sale" table this month but Martin Young, our speaker is bringing plants, and if you would like to bring a "plant/flower of current interest" we will display them in the lobby where you come in. A name would be nice if it's something unusual.

It's less than a month until the **club holiday** and I'm really getting excited! Jenny will email final details, but she has asked me to say that we will be leaving 9.00 am prompt from the main car park in the Village so if you are on the trip make sure you are on time.

I think that's all for now, but we will be giving you details of the out evening in July and the 25th Anniversary tea in August, very soon.

Here's hoping the weather is kind for us on the Plant Fair weekend, fingers crossed!

Sue Crabb (Chair)

Bumblebee enjoying an azalea in my garden - Clare Johnston

May 2022
